Place, Date

Signature

Stamp

In order to be able to process your request, we collect personal data from you, e.g. name, first name, address and company data. With your signature you agree that your data may be electronically stored and processed for the purpose of order processing. Order processing will require the commissioning of Analytik Service AG, Trentiner Ring 30, 86356 Neusäß, as a subcontractor and thus a forwarding of your data (name, address, company name). We take great care that your data will only be processed in accordance with the instructions and exclusively for the above-mentioned purposes. For more information, please read our [privacy policy](#). You may change or revoke your consent at any time and without giving any reason for the future. Please contact our staff under the e-mail address info@agqm-biodiesel.de. We explicitly want to point out your right for information, correction, deletion, and blocking of your data processed by AGQM.
